

MARCH FOR MENTAL HEALTH

SATURDAY 16TH JANUARY 2016

ASSEMBLE 11AM, NORWICH CITY HALL STEPS

**NO MORE CUTS
NO MORE DEATHS
NO MORE DISCRIMINATION**

**MARCH TOGETHER
AND BE COUNTED!**

Never before has there been such an outcry about vicious and prolonged cuts to mental health services.

Never before have so many people needed help with mental health.

In Norfolk and Suffolk, we have been hit especially badly with our local NHS trust, NSFT, rated inadequate by the

CQC, still in special measures and facing £36 million more cuts over the next four years.

We can show our local Clinical Commissioning Groups, councils, NHS England, Department of Health and Government that we will no longer tolerate blatant discrimination and still more tragedies.
